

Google Search Strategies

1. I've heard a couple of tv commercials for drugs to treat Type 2 Diabetes. Can I find out more about them?
2. Do I need to sign up for Medicare?
3. In the book, *The Kill Artist*, the hero is restoring a painting by an Italian painter whose name starts with a V. He was Titian's brother. Is this a real painter?
4. I'd like to find some scholarship money for college next year. Isn't there a government form to fill out? What about that government agency called Nellie Mae?
5. What is the deal with stone circles? (been watching *Outlander*) Where are some good ones in Britain? Is that Craig Nah Duin a real place?
6. We're going to do a unit in school on the solar system. I'd like to find some materials for 6th graders to use. I could really use a few good Websites that the students could use, and ideally, some lesson plans and activities for a teacher.

Technology for Librarians 101 is offered as part of the Nebraska Broadband Mapping and Planning Initiative, funded through a grant by the U.S. Department of Commerce's National Telecommunications and Information. The Initiative aims to increase broadband adoption and use. Project partners include the University of Nebraska, Nebraska Department of Economic Development, Nebraska Information Technology Commission, Nebraska Public Service Commission, and the AIM Institute. For more information, check <http://broadband.nebraska.gov>
