

## Technology 101 – Session 3

### Suggested Online Troubleshooting Web Sites

These are just a few of the many resources available online for troubleshooting computer, printers and networking problems. It is recommended that you review these and other resources available online and use the one that best fits your level of technology aptitude and comfort level.

- <https://www.google.com>
- <http://support.microsoft.com/kb/242450>
  - MS Knowledge Base – official Microsoft trouble shooting web site
- <http://forums.techguy.org/>
  - Review TechGuy Forums
- <http://www.computerhope.com/index.htm>
  - Check out the forum section
- <http://www.practicallynetworked.com/>
  - Offers excellent network troubleshooting section on this site and some excellent tutorials related

Technology for Librarians 101 is offered as part of the Nebraska Broadband Mapping and Planning Initiative, funded through a grant by the U.S. Department of Commerce's National Telecommunications and Information. The Initiative aims to increase broadband adoption and use. Project partners include the University of Nebraska, Nebraska Department of Economic Development, Nebraska Information Technology Commission, Nebraska Public Service Commission, and the AIM Institute.
