

USGS Protected Area Database

Classified Lands

[Protected Area Database Website](#)

1. Open the USGS PAD-US Data Explorer. Enter an address, coordinates, or place in the search bar at the top left-hand corner or zoom into your project area.

2. Any protected land areas that are in the vicinity of the proposed project will be overlaid with various colors of polygon on the map.

3. Clicking on the polygons will provide information on the protected area, including the **Unit Name**, **Manager Name**, and **Designation Type**.

Please note that links were current as of the date of public posting of this document, but may have changed.
